Honored Guest Speaker

Est. 2003

In recognition of the 50th Anniversary of the Paris Peace Accord and the end of the Vietnam War, the Nevada Military Support Alliance, proudly presents Honored Guest Speaker

USAF Maj (ret) Brian Shul

As an Air Force fighter pilot, Major Shul was shot down in the Vietnam War and severely burned in the ensuing crash. Initially given up for dead, he was finally rescued and spent one year in hospitals, endured 15 surgeries, and was told his flying days were over. Amazingly, Major Shul returned to active duty flying, and became one of only 89 men in history to fly the SR-71 spy plane, the fastest jet ever built.
