On behalf of the Nevada Military Support Alliance, its Board of Directors, Staff, and Supporters, we express our deepest condolences to Major Brian Shul's family.

We were fortunate and blessed to have had this great American Hero as our Honored Guest Speaker at our Gala last night in celebration of the 20th Anniversary of the Nevada Military Support Alliance.

"His presentation was a moving journey of his life and commitment to country, and the value of inspiration, perseverance, presence, and loyalty," said Dan Morgan, President of the Nevada Military Support Alliance.

It is our hope that Major Shul's two rules of life following his "rebirth," will ring true to everyone in attendance:

1. Life is uncertain.
2. Don't ever put anything off because of Rule #1.

Thank you, Major Shul, and God Speed!
